

Friends Season Seven DVD Set

The seventh season of the Friends TV show was aired from fall 2000 to spring 2001, continuing the long-lasting success story of America's finest TV show.

Plot Summary

This season starts off with Rachel kissing Ross and them debating a "bonus night". However, not much becomes of it at first.

At work, Rachel secretly develops feelings for Tag, an assistant she recently hired. The two date until the middle of the season when it becomes clear that he is not looking for commitment.

Meanwhile, Joey gets a second chance as Dr. Drake Ramoray on Days of Our Lives, after his character has received a brain transplant. Moreover, he is ordained as a minister through the Internet to officiate Monica and Chandler's wedding.

Phoebe moves back into her refurbished apartment that is now lacking two separate bedrooms for both Rachel and her. Hence, Rachel continues to stay at Joey's.

Ross makes a move on his cousin Cassie when she's on visit. Later, he has a "big brother" talk with Chandler, telling him that if he ever hurts Monica once married, he'd kick his butt.

Shortly before the wedding, Chandler freaks out about becoming "the Bings" and disappears, leaving Ross looking for him. While Rachel and Phoebe wonder how to keep Monica from finding out Chandler is missing, Phoebe finds a positive pregnancy test in Monica's bathroom. Unbeknown to everybody, Rachel is apparently the pregnant one.

At last, Monica and Chandler get married.
