

Friends Season Six DVD Set

The sixth season of the Friends TV show was aired from fall 1999 to spring 2000, continuing the long-lasting success story of America's finest TV show.

Plot Summary

This season starts off with Ross and Rachel realizing that getting married drunk was a mistake and hence, they try to get the marriage annulled. Due to some legal obstacles, though, they have to file for a divorce instead.

Dating Rachel's sister, Jill, for a while after that, Ross later falls for one of his students, named Elizabeth.

Meanwhile, Joey has a fling with his new roommate Janine, which ends after a double date with Monica and Chandler because the four don't get along as couples. Joey gets a temporary job as a waiter at Central Perk before successfully auditioning for the "Mac & C.H.E.E.S.E." TV show.

Chandler moves in with Monica, and Rachel becomes Phoebe's new roommate. After a fire destroys their apartment, the two girls are temporarily forced to live with the rest of the gang again: Rachel moves in with Joey, and Phoebe picks the spare room at Monica and Chandler's. Rachel starts dating Paul, the father of Ross' new girlfriend Elizabeth.

Towards the end of the season, Chandler decides that he wants to marry Monica. When he's just about to propose to her at her favorite restaurant, Richard interrupts the entire situation.

With Chandler then pretending that marriage is the furthest thing on his mind and Richard telling Monica that he still loves her and wants to have kids with her, it takes Chandler some serious effort to come clean. Eventually, though, Monica and Chandler get engaged.
