

Friends Season Three DVD Set

The third season of the Friends TV show was aired from fall 1996 to spring 1997, continuing the long-lasting success story of America's finest TV show.

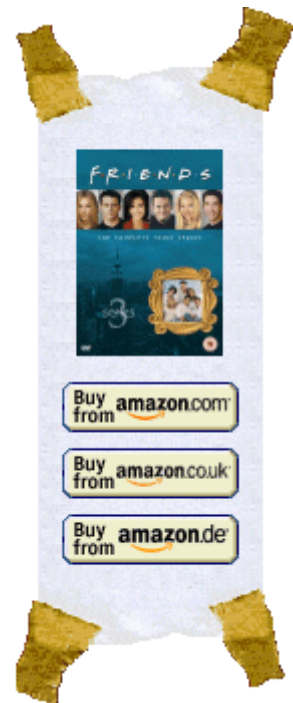

Plot Summary

This season starts off with Chandler really having a blast with Janice, but when Joey and Monica catch Janice kissing her ex-husband, Chandler breaks up with her.

Rachel quits her waitressing job at Central Perk after Gunther wants to re-train her. She runs into a guy called Mark who gets her a job at Bloomingdale's, but he also wreaks havoc on her relationship with Ross. After a bitter fight, Ross and Rachel decide to take a break.

Halfway through the season, Monica runs into Richard and they hit it off for a while again but eventually both of them concur that their being together has no future. Towards the end, Monica dates Pete, a software millionaire, with a head full of crazy ideas. Their relationship isn't meant to last either.

Meanwhile, Joey falls for one of his acting colleagues and actually develops feelings for her. However, she leaves him to pursue her career. Throughout the season, Phoebe dates several guys but no one seems to be "Mr. Right". In the final episode, she is tracking down a close friend of her mother's who might lead Phoebe to her.
