

Friends Season Two DVD Set

The second season of the Friends TV show was aired from fall 1995 to spring 1996, continuing the long-lasting success story of America's finest TV show.

Plot Summary

This season starts off with Ross returning from his trip to China with a new girlfriend, a Chinese-American named Julie. Rachel is very saddened and tries to convince herself that she doesn't have any feelings for Ross but eventually lets him know and they kiss.

Ross then has to decide between Rachel and Julie and makes a list of pros and cons of the two, upsetting Rachel very much. The two reconcile only after Rachel watches her and Monica's prom video, where Ross would have done anything to make Rachel happy.

Monica runs into job-related trouble, being fired from a restaurant for accepting kickbacks and eventually gets herself a job in a 1950s theme restaurant where she has got to dance and wear "flame retardant boobs". She also meets Dr. Richard Burke, a friend of her father's, and dates him until in the last episode it is revealed that Richard wouldn't want kids. The two split up.

Joey gets his big break and becomes Dr. Drake Ramoray in the Days of Our Lives soap opera. He moves out from the apartment formerly shared with Chandler, loses his acting job, though, and moves back in with Chandler who has temporarily accepted a new but freaky roomie, named Eddie. Chandler gets back together with Janice.
